REPORTS

Strategic Planning Schedule

During the 44th Session of the Intergovernmental Panel on Climate Change (IPCC) some member countries expressed concern as to the scheduling of two parallel approval sessions in the strategic planning document of the Special Report on climate change and oceans and the cryosphere and the Special Report on climate change, desertification, land degradation, sustainable land management, food security and greenhouse gas fluxes in terrestrial ecosystems. The Chair of the IPCC at the 44th Session invited member countries to submit written comments on the strategic planning document. In line with these comments and in consultation with the IPCC Executive Committee, the Secretariat has revised the Strategic planning document which is hereby submitted for consideration by the 45th Session of the IPCC.
