## IPCC MEDIA ADVISORY

28 November 2014

### The IPCC at COP20 in Lima

GENEVA, Nov 28 – The Intergovernmental Panel on Climate Change (IPCC) will be playing an active part at the UN Framework Convention on Climate Change (UNFCCC) meeting opening in Lima, Peru, next week (COP20).

Activities planned include:

*Monday 1 December*

IPCC Chair Rajendra K. Pachauri addresses the opening session of the Subsidiary Body for Scientific and Technological Advice

*Tuesday 2 December*

SBSTA-IPCC special event to present the Synthesis Report of the Fifth Assessment Report (13.15-14.45)

IPCC authors present detailed findings to negotiators in the Structured Expert Dialogue on the 2013-2015 review (15.00-18.00)

*Wednesday 3 December*

IPCC side event on user's perspectives on the Fifth Assessment Report (13.15-14.45)

The IPCC is also organizing an outreach event on Monday 8 December outside COP20 with Universidad Nacional Mayor de San Marcos to present the Synthesis Report to Peruvian stakeholders.

For further details or to request interviews with Dr Pachauri and other senior IPCC officials and authors, please contact:
