MEMBERSHIP OF THE IPCC BUREAU AND THE TASK FORCE BUREAU

(Submitted by the Secretariat)
Proposal from Venezuela to replace Bureau member Dr. Maria Martelo with Dr. Miriam Diaz

The Panel at its 26th Session held on 4 May 2007 considered a proposal by the Government of Venezuela to replace Bureau member Dr. Maria Martelo with Dr. Miriam Diaz (IPCC-XXVI/Doc.10). Some delegates requested additional information about the reason for that replacement, and therefore the Panel agreed to postpone the decision on the proposal.

As a follow up, the Secretary of the IPCC sent on 6 June 2007 a letter to the focal point of Venezuela, seeking clarification about the reason for the proposed replacement (Annex 1).

In its letter of 15 June 2007 the Venezuelan Focal Point informed the IPCC Secretariat that “Dr. Maria Martelo decided by herself to quit her working relationship with this Ministry by personal reasons, on January 2006.” (Annex 2).

The “Rules of Procedures for the Election of the IPCC Bureau” adopted by the Panel at its 25th Session on 26-28 April 2006, provide procedural basis for this replacement. According to Rule 12, Dr. Diaz has been an acting member of the Bureau since she was nominated by the Government of Venezuela on 5 March 2007. An acting member is to be elected by the Panel by simple majority as a member of the Bureau for the remainder of the term of the Bureau. In accordance with Rule 19, which requires relevant scientific, technological and social-economic expertise of nominees, the Curriculum Vitae of Dr. Miriam Diaz is attached for consideration (Annex 3).

The Panel is invited to consider again the proposal for replacement of the Bureau member from Venezuela, taking into consideration additional information provided by the Government of Venezuela.

Dear Ms. Hernandez,

I am referring to your correspondence with my office concerning membership in the IPCC Bureau and thank you for your prompt response. I would also like to take this opportunity to inform you that a careful search of our files has revealed that unfortunately we never received your fax of 13 April 2005, reference number 154.

The Panel at its 26th Session on 4 May 2007 considered your government’s proposal to replace Ms. Maria Martelo with Ms. Miriam Diaz as member of the IPCC. During the Panel considerations the question was raised why Ms. Martelo is unable to complete her term of office and the Panel asked the IPCC Secretariat to seek further information consistent with the conditions set in Rule 12 of the Election Procedures, which read:

“If a member of the IPCC Bureau or any Task Force Bureau, other than the IPCC Chair, resigns or is otherwise unable to complete the assigned term of office or to perform the functions of that office, a representative of the same Member of the IPCC, with relevant expertise, is to be nominated by that Member of the IPCC…”

I would appreciate it if you could provide this additional information requested by the Panel, to allow me to submit it together with your original proposal to the Panel for consideration at its 27th Session, which will be held from 12 to 17 November 2007. Until that Session Ms. Diaz will continue to be acting member of the IPCC Bureau and will receive invitations to Sessions of the IPCC and the IPCC Bureau, as well as other relevant correspondence and financial support.

Please accept my apologies for the delay in responding to your request, and allow me to express my sincere appreciation for your government’s continued interest in and support for the IPCC.

Yours sincerely,

(Renate Christ)
Secretary of the IPCC
Dear Mr Liu,

Hereby, I provide Curriculum Vitae of Miriam Díaz in English Version, in order to help the panel in any purpose or decision making, rules and internal procedures in which this information may be required in accordance with your letter No. 6832-07IPCC/BUR dated in Geneve, 30 March 2006.

In addition, I approach this opportunity to inform you that Dr. María Martelo decided by herself to quit her working relationship with this Ministry by personal reasons, on January 2006.

With assurance of my highest regards,

Ms. Lissett Hernández
Directora General de la Oficina de Gestión y Cooperación Internacional (G)
