Note to editors :

The IPCC will consider the Working Group I contribution to the Fifth Assessment Report – the physical science basis of climate change – in Stockholm on 23-26 September 2013. The Summary for Policymakers will be released on 27 September 2013. The full report will be released in an unedited version on 30 September 2013. It will be published online in January 2014 and in book form a few months later.

The Working Group II contribution – impacts, adaptation and vulnerability – will be considered by the IPCC in Yokohama, Japan, on 25-29 March 2014. The Working Group III contribution will be considered by the IPCC in Berlin on 7-11 April 2014. The Fifth Assessment Report will be completed with the Synthesis Report that will be considered by the IPCC in Copenhagen on 27-31 October 2014.
