FORTY-SECOND SESSION OF THE IPCC
Dubrovnik, Croatia, 5-8 October 2015

IPCC-XLI/Doc. 3
(25.VIII.2015)
Agenda Item: 2
ENGLISH ONLY

DRAFT REPORT OF THE FORTY-FIRST SESSION
Nairobi, Kenya, 24-27 February 2015

(Submitted by the Acting Secretary of the IPCC)
1. OPENING OF THE SESSION

Document: IPCC-XLI/Doc.1, Rev.1

Mr Ismail El Gizouli, Vice-Chair of the IPCC, called the session to order, welcomed the dignitaries and delegates and informed the Plenary about the Resignation of the Chair of the IPCC, Mr Rajendra Pachauri. Mr El Gizouli informed the Plenary that in accordance with Rule 11 of Appendix C to the Principles Governing IPCC Work the IPCC Bureau has agreed that he shall serve as the Acting IPCC Chair during this session of the Panel. Ms Renate Christ, Secretary of the IPCC read Mr Pachauri’s resignation letter.

The Acting Chair of the IPCC welcomed Mr Jeremiah Lengoasa, Deputy Secretary-General of the World Meteorological Organization (WMO) who was representing the Secretary-General of the WMO and invited him to deliver his opening remarks. Mr Lengoasa recalled the full support of the WMO to the IPCC and thanked the United Nations Environment Programme (UNEP) for its continuing support to the Panel. He also thanked Mr Achim Steiner, United Nations Under Secretary-General and Executive Director of UNEP for facilitating the 49th Session of the IPCC Bureau which was held earlier that morning in Nairobi.

The Acting Chair of the IPCC introduced a video-recorded message from Ms Christiana Figueres, Executive Secretary of the United Nations Framework Convention on Climate Change (UNFCCC). In her video-recorded message, Ms Figueres encouraged the IPCC to be even more policy relevant and congratulated the Panel for its outstanding work on the Fifth Assessment Report. She highlighted the growing appreciation of the challenge of climate, the growing civil society concern, the mass mobilization of governments and the private sector awareness as transformative developments and made recommendations for the future work of IPCC. She pointed out that the Paris agreement would likely include provisions for a strategic review of progress and that IPCC assessments would be used as constant input along that path.

The Acting Chair of the IPCC invited the Secretary of the IPCC to deliver her statement. The Secretary of the IPCC Ms Renate Christ addressed the Panel and shared a few thoughts and experience before her retirement.

She recalled the vision of the early leaders of the IPCC to provide policy relevant, comprehensive and balanced assessments, through a process characterized by scientific rigor, inclusiveness, regional representation, and transparency, based on which the IPCC had developed over the past 25 years into an entity that is applauded and recognized as the prime example of science policy interface.

She highlighted the importance of a strong communications programme and emphasized that a joint effort under professional leadership is the most efficient way to present IPCC knowledge with its specific characteristics and brand, to an ever-increasing user group. She also mentioned the need for a solid financial basis and expressed satisfaction that the IPCC Secretariat has developed into an operational unit which provides a wide range of essential services to the wider IPCC.

With regards to future IPCC work she called for attention to be paid to the needs of the UNFCCC, enhanced cross-working group cooperation and dialogue with a wider range of scientific disciplines including those that address the human and development dimension, and to identify the most effective way to facilitate the contribution of developing country experts to IPCC work. She expressed the hope that the new IPCC leadership will continue the IPCC process in a policy relevant, comprehensive and transparent way and in a manner that
emphasizes scientific excellence and robustness while respecting each other’s disciplines and approaches.

She closed with words of thanks to authors of IPCC Reports, Bureau members, staff members of the IPCC Secretariat, the IPCC host organizations UNEP and WMO and member governments.

The Acting Chair of the IPCC delivered a statement outlining the main challenges ahead for this session of the Panel.

The provisional agenda of the meeting contained in Document IPCC-XLI/Doc.1 Rev.1 was approved with the addition of an Agenda Item 13 on Procedural Matters (see Annex 1).

2. APPROVAL OF THE DRAFT REPORT OF THE 40TH SESSION

Document: IPCC-XL/Doc.2, Rev.1

The draft report of the 40th Session of the IPCC was presented for approval.

The delegate from the United States of America enquired about the Expert Meetings approved for 2015 and their respective budgets. He also enquired about a budget for contingencies. The Secretariat explained the provisions for the “Expert Meeting on Agriculture and Food Security” and that the possible need for a contingency budget will be addressed during deliberations at this session of the Panel.

The draft report of the 40th Session of the IPCC was approved.

3. IPCC PROGRAMME AND BUDGET

Documents: IPCC-XLI/Doc.11

The Secretary of the IPCC introduced the document. She presented an overview of Part A and Part B of the budget document. An interim statement of expenditure as at 31 December 2014 was presented for information. The audit of the 2014 financial statement is currently being conducted by the Swiss Federal Audit Office. On completion, the 2014 financial statement will be shared with governments. She reminded delegates that there were no changes to the 2015 approved budget. However, should the Panel agree on additional activities in 2015, the budgetary implications will be considered and the budget for 2015 amended as appropriate. Budgets for 2016 and 2017 are to be finalized at the 42nd Session of the Panel where an indication of the future activities will be made clearer.

The Financial Task Team (FiTT) was established. The FiTT is open-ended with a core membership made up of Republic of Korea, Maldives, New Zealand and United States of America and co-chaired by Mr Nicolas Beriot (France) and Mr Ismail El Gizouli (Sudan). In his new capacity as Acting Chair of the IPCC, Mr Elgizouli recused himself from his role in the FiTT and requested the Co-Chair (France) to chair the FiTT. The Co-Chair (France) requested that a second Co-Chair be nominated to work with him in the FiTT. The delegate from Mali suggested that the new Co-Chair be selected from one of the developing countries of the FiTT core membership. Mr Amjad Abdulla (Maldives) was proposed as Acting Co-Chair.

The budget document was then considered by the Financial Task Team (FiTT), Co-chaired by France and Maldives. The FiTT met three times during the week to deliberate on key issues relating to the IPCC programme and budget, including the revised 2015 budget and the forecast budget for 2016 and the indicative budget for 2017.
Upon the submission of the recommendation from the FiTT to the Panel, the Secretary of the IPCC indicated that the wording in the footnotes was not consistent with Appendix B – Financial Procedures for the Intergovernmental Panel on Climate Change. The 2016 budget was “noted” not “approved” at the 40th Session. A proposal was made to delete the colours in Table 6 and keep the footnotes.

The delegate from Mali thanked the FiTT for its excellent work and expressed his concern about the decline in contributors as shown in Annex 1 to the decisions on programme and budget and wanted to know what the impact of the figure for 2014 would be over the two years period. The Secretary of the IPCC explained that Annex 1 was done on a biennial basis as was the practice in WMO and that the figure for 2014 is low as it only reflects one year.

The delegate from Switzerland thanked the FiTT, the Co-Chairs and the Secretariat for their work. He supported the view of the Secretary of the IPCC in that the new colours were not necessary as the tables for 2016 and 2017 were only projections. He underlined the care with which the Secretary of the IPCC and others in the Secretariat had managed the finances. The delegation from Canada thanked the Co-Chairs of the FiTT for their work and pointed out that the UNFCCC was omitted in the thanks to organizations in the decisions of the programme and budget. It added that it found the new colour-coded system useful and further requested the Co-Chairs and the Secretariat to come up with a better way to implement this. The delegate from Germany supported enhancing the transparency about the state of individual activities in the projected budget tables. With Canada, she requested additional assistance from the Secretariat on how best to implement this.

No other delegation took the floor and the Panel approved the budget document and recommendations from the FiTT with changes outlined above.

The Panel approved the revised budget for the year 2015 and noted the forecast budget for the year 2016 and the indicative budget for the year 2017. The Panel adopted Decision IPCC/XLI-2 on the IPCC Trust Fund Programme and Budget contained in Annex 2.

4. ADMISSION OF OBSERVER ORGANIZATIONS

Documents: IPCC-XLI/Doc. 7

The Secretary of the IPCC introduced the document. The Panel adopted Decision IPCC/XLI-3 on Admission of Observer Organizations as contained in Annex 2.

5. FUTURE WORK OF THE IPCC

Documents: IPCC-XLI/Doc. 3; IPCC-XLI/Doc. 4; IPCC-XLI/Doc. 5; IPCC-XLI/Doc. 6; IPCC-XLI/Doc. 9, Rev. 1; IPCC-XLI/Doc. 13; IPCC-XLI/Doc. 15; IPCC-XLI/INF. 1; IPCC-XLI/INF. 1, Add.1; IPCC-XLI/INF.1, Add.2; IPCC-XLI/INF.1, Add. 3; IPCC-XLI/INF.2 Rev.1, IPCC-XLI/INF. 3 and IPCC-XLI/INF. 4

The Acting Chair of the IPCC proposed to consider simultaneously Agenda Item 5.1, Agenda Item 5.2, Agenda Item 5.3, Agenda Item 10.2 and Agenda Item 11 and the Panel accepted his proposal.

The Secretary of the IPCC introduced documents IPCC-XLI/Doc. 3; IPCC-XLI/Doc. 4; IPCC-XLI/Doc. 5; IPCC-XLI/Doc. 15; IPCC-XLI/INF.1; IPCC-XLI/INF. 1, Add.1; IPCC-XLI/INF 1, Add.2 and IPCC-XLI/INF.1, Add.3. Mr Timothy Carter (Finland) and Mr Bruce Hewitson (South Africa), Co-Chairs of the Task Group on Data and Scenario Support for Impact and Climate Analysis (TGICA) introduced document IPCC-XLI/Doc. 10 and Mr Florin Vladu, UNFCCC Secretariat, introduced document IPCC-XLI/Doc. 22. The Acting Chair of the IPCC
was assisted by Ms Helen Plume and Mr Taha Zatari, Co-Chairs of the Task Group on the Future Work of the IPCC during deliberations under this Agenda Item.

During the pursuing deliberation statements were made by the representatives of Algeria, Argentina, Australia, Austria, Belgium, Brazil, Canada, Central African Republic, Chile, China, Croatia, Cuba, Dominica, Ecuador, Egypt, El Salvador, Ethiopia, Germany, Japan, Jordan, India, Indonesia, Islamic Republic of Iran, Kenya, Mali, Madagascar, Maldives, Malawi, Malaysia, Mexico, New Zealand, Nicaragua, Norway, Pakistan, Peru, Republic of Korea, Russia, Saudi Arabia, Slovenia, South Africa, Switzerland, Syria, Tanzania, The Netherlands, Togo, Turkey, the United Kingdom, the United States of America, Venezuela and the European Union. Statements were also made by the Secretary of the IPCC, Mr Jean-Pascal van Ypersele, Vice-Chair of the IPCC, Mr Thomas Stoker, Co-Chair of Working Group I, Mr Chris Field, Co-Chair of Working Group II, Mr Ottmar Edenhofer, Co-Chair of Working Group III, Mr Youba Sokona, Co-Chair of Working Group III and Mr Taka Hiraishi, Co-Chair of the Task Force on National Greenhouse Gas Inventories (TFI).

The Acting Chair of the IPCC established an open-ended Contact Group Co-chaired by Mr Hoesung Lee and Mr Jean-Pascal van Ypersele, Vice-Chairs of the IPCC to address the matter of composition and regional representation of the Bureau. The open-ended Contact Group met two times on 27 and 28 February 2015.

The Panel adopted Decision IPCC/XLI-4 on the Future Work of IPCC contained in Annex 2. The representative of The Netherlands requested the declaration contained in Annex 3 to be reflected in the report of the meeting.

Mr Youba Sokona, Co-Chair of Working Group III introduced the documents IPCC-XLI/Doc. 9, Rev. 1 and IPCC-XLI/INF. 4 on the report of the “Expert Meeting on Potential Studies of the IPCC Process” and recommended principles to guide IPCC`s engagement. No comments were made and the “Principles to guide the IPCC`s engagement in potential studies of the IPCC process” contained in Annex 1 to Decision IPCC/XLI-5 in Annex 2 were approved.

Regarding Agenda Item 5.5 on any other matters –Workshops and Special Reports– the Secretary of the IPCC introduced the document IPCC-XLI/Doc. 6, Mr Thomas Stocker introduced the document IPCC-XLI/Doc. 13 and the delegate from Monaco introduced the document IPCC-XLI/INF. 3. Statements were made by the delegates from Algeria, Belgium, Brazil, Chad, Canada, Egypt, India, Jordan, Kuwait, Madagascar, Malawi, Mali, Norway, The Netherlands, Peru, Saudi Arabia, Spain, Sweden, Switzerland, the United States of America and Venezuela. Statements were also made by Mr Chris Field, Co-Chair of Working Group II. The Decision IPCC/XLI-6 made by the Panel on this matter is contained in Annex 2.

6. COMMUNICATION AND OUTREACH ACTIVITIES

Document: IPCC-XLI/Doc. 20

Mr Jonathan Lynn, Senior Communications Officer introduced the document.

The delegate from Norway proposed a meeting in which experts, focal points and other IPCC representatives would share experiences, best practices and lessons learned from communication and outreach around the Fifth Assessment Report. Following statements from Belgium, Canada, Pakistan, Switzerland, the United Kingdom and Mr Thomas Stoker, Co-Chair of Working Group I, the Panel adopted Decision IPCC/XLI-7 on Communication and Outreach Activities contained in Annex 2.
7. REPORT ON ACTIVITIES OF THE IPCC EXECUTIVE COMMITTEE

The Deputy Secretary of the IPCC, Mr Carlos Martin-Novella, provided an oral report on activities of the IPCC Executive Committee since the 40th Session of the Panel. No comments were made.

8. IMPLEMENTATION OF THE IPCC CONFLICT OF INTEREST (COI) POLICY

Mr Hoesung Lee (Republic of Korea), Chair of the Conflict of Interest (COI) Committee, provided an oral report on the activities of the Committee since the 40th Session of the Panel. No comments were made.

9. IMPLEMENTATION OF THE IPCC ERROR PROTOCOL

Documents: IPCC-XLI/Doc.12 and IPCC-XLI/Doc. 17

The Secretary of the IPCC introduced the documents.

10. PROGRESS REPORTS

10.1 Progress Report on the Task Force on National Greenhouse Gas Inventories (TFI)

Document: IPCC-XLI/Doc. 8

Ms Thelma Krug (Brazil), Co-Chair of the Task Force on National Green Gas Inventories (TFI) introduced the document. No comments were made.

10.2. Progress Report on TGICA

Document: IPCC-XLI/Doc.10

The Acting Chair of the IPCC recalled that this agenda Item was addressed simultaneously with Agenda Item 5.

10.3. Progress Report on the IPCC Scholarship Programme

Document: IPCC-XLI/Doc. 18

The Secretary of the IPCC introduced the document. She pointed out that according to the Trust Deed the term of the Board of trustees comes to an end and the Panel will be invited to appoint a new Board of trustees in due course. No comments were made.

10.4. Preparations for Expert Meetings mandated by the Panel

Documents: IPCC-XLI/Doc.16 and IPCC-XLI/Doc.23

Mr Chris Field, Co-Chair of Working Group II introduced the document IPCC-XLI/Doc. 23 on the “Expert meeting on Agriculture and Food Security”. Following statements from Argentina, Brazil, Cuba, Germany, Mali, Saudi Arabia and the United Kingdom Mr Field will refine the scoping paper for the Expert Meeting.
Mr Ottmar Edenhofer, Co-Chair of Working Group III introduced the document IPCC-XLI/Doc. 16 on the “Joint Expert Meeting on Scenarios”. Mr Thomas Stoker, Co-Chair of Working Group I stated that WGI is also involved in the preparations for this expert meeting. No other comments were made.

The Secretary of the IPCC reported on the delays in organizing the Joint Workshop with PROVIA which is waiting for the appointment of the new Scientific Officer at the IPCC Secretariat.

10.5. Other Progress Reports

Mr Thomas Stocker, Co-Chair of Working Group I, introduced the document IPCC-XLI/Doc. 14 on the progress report of WGI; Mr Chris Field, Co-Chair of Working Group II, introduced the document IPCC-XLI/Doc. 21 on the progress report of WGII and Mr Ramon Pichs, Co-Chair of Working Group III, introduced the document IPCC-XLI/Doc. 19. No comments were made.

11. MATTERS RELATED TO UNFCCC AND OTHER INTERNATIONAL BODIES

The Secretary of the IPCC recalled that substantive issues regarding the UNFCCC process were already addressed under Agenda Item 5. She also referred to the ongoing collaboration between the IPCC Secretariat and the Secretariat of the Intergovernmental Panel on Biodiversity and Ecosystem Services (IPBES). She also reported on the IPCC involvement in the forthcoming WMO Congress.

The representative of the UNFCCC Secretariat expressed their satisfaction on the ongoing collaboration with the IPCC and recalled the successful participation of IPCC at the 20th Conference of the Parties of the UNFCCC.

12. ANY OTHER BUSINESS

Mr Chris Field, Co-Chair of Working Group II proposed that a statement of core values should be posted on the IPCC website. It was noted that the IPCC Secretariat would explore options for the Panel to consider in this regard.

The representative from South Africa requested their statement regarding Agenda Item 13 on Procedural Matters to be included in the report of the meeting (See Annex 4). The delegates from Ireland and the United States of America suggested an early review of the rules of procedure of the IPCC while the delegate from Saudi Arabia convened that an overall review of the rules should not take place at this session of the Panel. Mr Jean-Pascal van Ypersele, Vice-Chair of the IPCC replaced the Acting Chair as presiding officer of the session during the consideration of this matter.

13. PROCEDURAL MATTERS

On 26 February 2015 the Panel decided to amend the agenda for the session to include an additional agenda item 13 on Procedural matters. Under this agenda item the Panel addressed the consequences of Mr Pachauri’s resignation.

Mr Pachauri sent a letter to the UN Secretary-General on 24 February 2015, informing him of his decision to step down as IPCC Chair. Upon receipt of the letter by the IPCC Secretariat, before the opening of the 41st Session of the IPCC, it was transmitted to the IPCC Bureau.
Subsequently, in accordance with rule 11, the IPCC Bureau agreed on the 24th of February to designate Mr. Ismail El Gizouli, IPCC Vice-Chair as the Acting Chair for this session.

The IPCC Bureau also addressed options regarding implementation of rule 11 in order to provide advice to the Panel as, pursuant to rule 11, the Panel is required to elect a new IPCC Chair to serve the remainder of the term of office of the departing IPCC Chair during its 41st session.

The view of the Bureau was that the modalities of holding an election, i.e. establishing a quorum for election by the members with valid credentials by Friday, 27 February 2015, would have been impossible.

Given the special circumstances, and recalling paragraph 4 of the Principles Governing IPCC Work which stipulates that "[m]ajor decisions of the IPCC will be taken by the Panel in plenary meetings", the Bureau recommended that the Panel consider the actions concerning the arrangements on Acting Chair.

The Panel considered this matter and adopted Decision IPCC/XLI-1 on Procedural Matters as contained in Annex 2. In taking that decision, the Panel was conscious of the importance of maintaining the integrity of the principles, rules and procedures of the IPCC.

15. **TIME AND PLACE OF THE NEXT SESSION**

The delegate from Croatia offered to host the 42nd Session of the IPCC on 5-8 October 2015 in Dubrovnik, Croatia.

16. **CLOSING OF THE SESSION**

Before closing the session, the Acting Chair of the IPCC thanked Ms. Renate Christ for her outstanding contribution to the work of the Panel during her tenure first as Deputy Secretary and then as the Secretary of the Intergovernmental Panel on Climate Change. In her response Ms. Christ also thanked Mr. Achim Steiner, United Nations Under Secretary-General and Executive Director of the United Nations Environment Programme (UNEP) and his staff for all their essential support during the preparations for and conducting of this session of the Panel. She also thanked the United Nations Office at Nairobi (UNON) for its excellent facilities and collaboration.

The 41st Session of the Panel was closed at 17:59 of Friday 27 February 2015.

17. **PARTICIPANTS**

The 41st Session of IPCC was attended by 266 delegates from 102 national delegations, and 26 observers from 9 Organizations, including 3 UN Organizations (see Annex 5).

---

1 “If the IPCC Chair resigns or is otherwise unable to complete the assigned term of office or to perform the functions of that office, a new IPCC Chair shall be elected at the next Session to serve the remainder of the term of office of the departing IPCC Chair. Until a new IPCC Chair is elected, an IPCC Vice-Chair as agreed by the IPCC Bureau shall serve as the Acting IPCC Chair.”
PROVISIONAL AGENDA

(Submitted by the IPCC Secretariat)
PROVISIONAL AGENDA

1. OPENING OF THE SESSION

2. APPROVAL OF THE DRAFT REPORT OF THE 40th SESSION

3. IPCC PROGRAMME AND BUDGET
   3.1 Draft statement of income and expenditure
   3.2 Revisions to the approved budget for the year 2015 as required
   3.3 Any other matters

4. ADMISSION OF OBSERVER ORGANIZATIONS

5. FUTURE WORK OF THE IPCC
   5.1 Consideration of the recommendations by the task group on future work of the IPCC
   5.2 Decision on size, structure and composition of the IPCC Bureau and any Task Force Bureau
   5.3 Questionnaire about the organization of the IPCC nomination and review process – report by the Secretariat
   5.4 Report of the expert meeting on potential studies of the IPCC process – recommended principles to guide IPCC’s engagement
   5.5 Any other matters

6. COMMUNICATION AND OUTREACH ACTIVITIES

7. REPORT ON ACTIVITIES OF THE IPCC EXECUTIVE COMMITTEE

8. IMPLEMENTATION OF THE IPCC CONFLICT OF INTEREST (COI) POLICY

9. IMPLEMENTATION OF THE IPCC ERROR PROTOCOL

10. PROGRESS REPORTS
    10.1 Progress report on the TFI
    10.2 Progress report on the TGICA
    10.3 Progress report on the IPCC Scholarship Programme
    10.4 Preparation of expert meetings mandated by the Panel
    10.5 Other progress reports

11. MATTERS RELATED TO UNFCCC AND OTHER INTERNATIONAL BODIES

12. ANY OTHER BUSINESS

13. PROCEDURAL MATTERS

14. TIME AND PLACE OF THE NEXT SESSION

15. CLOSING OF THE SESSION

NOTE: Delegates can register at the Headquarters of the United Nations Environment Programme (UNEP), United Nations Avenue, Gigiri, Nairobi, Kenya, from 16:00 to 18:00 hours on Monday, 23 February 2015 and from 08:00 hours on Tuesday, 24 February 2015 onwards.
Decision IPCC/XLI-1. PROCEDURAL MATTERS

The Intergovernmental Panel on Climate Change Decided,

1. To temporarily suspend, for the purpose of taking the decision set out in paragraph 2 below, the application of the first sentence of rule 11 of the procedures for the election of the IPCC Bureau and any task force bureau which reads as follows: “If the IPCC Chair resigns or is otherwise unable to complete the assigned term of office or to perform the functions of that office, a new IPCC Chair shall be elected at the next Session to serve the remainder of the term of office of the departing IPCC Chair.”;

2. That the Acting Chair, designated at the current session in accordance with pertinent provisions of rule 11 of the procedures for the election of the IPCC Bureau and any task force bureau, shall continue to serve in that capacity until a new IPCC Chair is elected at its 42nd Session in October 2015 for the term of the sixth assessment report and starts the term of office at the end of that session.
Decision IPCC/XLI-2. IPCC TRUST FUND PROGRAMME AND BUDGET

Based on the recommendations of the Financial Task Team, the Intergovernmental Panel on Climate Change,

1. Thanked the Secretariat of the IPCC for the Statement of contributions and interim statement of expenditures as of 31 December 2014, as contained in document IPCC-XLI/Doc.11.

2. Approved that the revised 2015 budget proposal should include the following modifications in Table 6 as compared to the budget approved at the 40th Session of the IPCC:
   - Addition of budget line “WGI – IPCC Workshop on Regional Climate Projections and their Use in Impacts and Risk Analysis; using 40 journeys from “Working Group contingency” line;
   - Adjustment to number of journeys available in “Working Group contingency” budget line;

3. Noted the revised forecast budget for 2016 (Table 7) and the indicative budget for the 2017 (Table 8), as proposed in these decisions.

4. Expressed its gratitude to the World Meteorological Organization (WMO), United Nations Environment Programme (UNEP) for their contributions to the IPCC Trust Fund and for financing one Secretariat position each, and to WMO for hosting the Secretariat. Thanked the United Nations Framework Convention on Climate Change for its contribution to the IPCC Trust Fund.

5. Expressed its gratitude to governments, including those from developing countries, for their generous contributions to the IPCC Trust Fund, with special thanks to governments which support the Technical Support Units (TSUs) and a number of IPCC activities, including data centres, meetings and outreach actions.

6. Requested that countries maintain their generous contribution in 2015 and invited governments, who are in a position to do so, to increase their level of contributions to the IPCC Trust Fund or to make a contribution in case they have not yet done so. The Panel noted with concern the decline in the number of contributors. In an effort to broaden the contribution base of the IPCC Trust Fund, also invited governments who had never made a contribution to become first-time contributors. A table showing the decline in the number of contributors is attached as (Annex 1)

7. Requested the Secretariat to use a colour-coded system in the budget tables to differentiate between new activities in the work programme as compared to the ones approved or noted in a previous Panel session. The activities contained under category governing bodies constitute the main activities that ensure that the IPCC is fully functional.

8. The Table 4 attached to document IPCC-XLI/Doc.11, containing the list of 2014 in-kind contributions was amended. The revised table is attached to this decision as (Annex 2).

Decision IPCC/XLI-3. ADMISSION OF OBSERVER ORGANIZATIONS

The Intergovernmental Panel on Climate Change Decided,

To admit the following new observer organizations:

- Action Jeunesse pour le Développement (AJED-Congo)
- Global Carbon Capture and Storage (CCS) Institute (Australia)
- School of Public and Environmental Affairs (SPEA), Indiana University (USA)
Decision IPCC/XLI-4. FUTURE WORK OF THE IPCC

The Intergovernmental Panel on Climate Change has reviewed its future work and taken a series of decisions to guide the work under the next assessment cycle. In implementing these decisions budgetary implications as well as minimizing the carbon footprint of IPCC activities shall be taken into account.

With regards to IPCC product types and their timing, the Panel decided:

1. It will continue to prepare every 5-7 years comprehensive Assessment Reports (AR), including regional aspects, together with the three-stage review process, supplemented by Special Reports. In determining its future reports and their timing the IPCC will take into account the work of the United Nations Framework Convention on Climate Change (UNFCCC).

2. The identification of Special Reports, including those with a focus on regional information and priorities, should be made as early as possible and in the context of all deliverables of the cycle. Should new requests be received, in particular from the UNFCCC, they will be dealt with consistent with the “Decision Framework for Special Reports, Methodology Reports and Technical Papers”.

3. The scoping of Synthesis Report (SYR) as well as attention to cross cutting issues should start at an early stage.

4. To emphasize the increasing importance of enhanced cross-working group cooperation and to request the new Bureau to pay particular attention to that matter, taking into consideration lessons learnt in previous assessments.

5. All parts of an AR should be released within about one year but no more than eighteen months, with a staggering between the WG reports allowing for information presented by one Working Group (WG) to be adequately reflected by the other WGs and the SYR.

6. It will continue to prepare Methodology Reports on National Greenhouse Gas Inventories.

7. It will consider to develop other methodology reports or good practice guidance reports, for example, to facilitate preparation of regional and/ or national scientific assessments.

8. It will further explore ways to enhance collaboration with other relevant international and scientific organizations.

With regards to further enhancing the usability of IPCC reports, the Panel decided:

9. To request the IPCC Secretariat to facilitate and enhance further the consistent and coherent use of up to date digital technology for sharing and disseminating information.
10. To enhance the readability of IPCC products, advice from various specialists should be sought.

11. To better reflect non-English language literature in IPCC reports and recommends to the upcoming Bureau to consider the following measures:

   a. To use relevant regional committees or networks, IPCC Focal Points and Working Group Vice Chairs to improve access to non-English language literature.
   b. To identify, in consultation with governments and international agencies, relevant literature published in languages other than English, in particular from Developing Countries (DCs). A UN-based language service could assist in translating such documents.
   c. Approach authors of such literature to serve as Expert Reviewers, Contributing Authors, and Chapter Scientists.

With regards to IPCC Structure, the Panel decided:

12. To increase the size of the IPCC Bureau to 34 through an increase in the representation of Region I from 5 to 7 and of Region II from 5 to 6 and to distribute these additional positions equally among the working groups amending Annex B to Appendix C of the Principles Governing IPCC Work – “Procedures for IPCC Elections” accordingly; and to initiate also a review at IPCC-43 of the approaches and criteria that would be used to determine the size, structure and composition of a future Bureau, including consideration of any implications for the Terms of Reference (TOR) of the Bureau with respect to members’ role in regional representation (see Annex 1 to this decision).

13. The current structure and mandate of the three Working Groups will be retained.

14. The Task Force on National Greenhouse Gas Inventories (TFI) will be retained with current mandate and structure.

15. To revisit the mandate of the Task Group on Data and Scenario Support for Impact and Climate Analysis (TGICA) at the 43rd Session of the IPCC. To this end it requested the Secretariat, in consultation with the TGICA Co-Chairs, to update the TGICA vision paper for the 43rd Session, taking into account views from scientists, IPCC Bureau, submissions from governments and IPCC observer organizations, and recommendations from an IPCC meeting of experts on this issue, organized by the Secretariat.

With respect to administrative matters and respective roles of the IPCC Secretariat and IPCC Technical Support Units (TSU), the Panel decided:

16. The administrative arrangements for the IPCC Secretariat remain as agreed in the Memorandum of Understanding between WMO and UNEP on the establishment of the IPCC. The functions of the IPCC Secretariat remain as decided by IPCC at its 35th Session.

IPCC-XLI/Doc. 3, p.20
17. The Panel may decide to establish Technical Support Units (TSUs) to support
the preparations of IPCC products and activities during the Sixth Assessment
Report cycle. TSUs provide scientific, technical and organisational support to
the respective IPCC Working Groups (WGs) and the Task Force on National
Greenhouse Gas Inventories (TFI). TSUs may be formed to support the
preparation of a Synthesis Report or any other Task Force or group
constituted by the Panel. The functions of the TSUs remain as decided by
IPCC at its 35th Session.

18. To request the IPCC Secretariat and TSUs to report periodically to the Panel
on the collaboration, roles and responsibilities, during the sixth assessment
cycle.

19. To request the Secretariat and all TSUs to command a respectful workplace,
emphasizing policies and practices that promote diversity, fairness,
collaboration and inclusiveness. This should involve recruiting professional
staff internationally, consistent with their respective rules and legal framework,
and aiming for regional representation, in particular from developing countries
in order to enhance the involvement of more regional diversity. Selection,
performance appraisal and contract extension of TSU staff will be done jointly
by both relevant Co-Chairs.

20. The TSU is hosted by one or jointly by both countries of the Working Group or
Task Force Bureau Co-Chairs. If only one country hosts the TSU, then the
Panel requests assistance to the other Co-Chair with a strong link to, and
coordination with, the WG/TF TSU. A TSU can be managed jointly by the two
co-chairs of a WG/TF, or by the IPCC Chair in case of the SYR TSU. Financing
could be from several sources.

With respect to the selection of and support to Coordinating Lead Authors (CLAs),
Lead Authors (LAs) and Review Editors (RE) and improving the writing and review
process, the Panel decided:

21. It will further consider the matter of broadening the nomination process in
particular with respect to implications for the intergovernmental nature of the
IPCC and funding, taking into consideration the results of the questionnaire
sent out by the IPCC Secretariat.

22. In order to support the task of CLAs and LAs, the enhanced use of research
assistants or chapter scientists is encouraged, as well as assistance through IT
technology, for instance with reference management. Financial implications for
the IPCC Trust Fund or TSU hosts will have to be further considered and
clarified.

23. It will explore ways of providing enhanced technical and administrative support
including access to scientific literature for CLAs and LAs who require it, in
particular from developing countries, in recognition of the increasing burden of
a comprehensive assessment.
The Panel further agreed that a number of additional measures would be suitable to attract qualified experts from developing countries and enhance and facilitate their engagement with the IPCC, including the following:

24. Further encourage Co-Chairs and other Bureau members to engage experts from developing countries in TSUs, author teams and as reviewers. Increasing training for TSUs and author teams will help ensure effective participation by all authors.

25. Increase the number of IPCC activities in developing countries.

26. Arrange briefings and training sessions for government representatives e.g. before sessions of the IPCC.

27. In the context of communication and outreach activities, to provide experts with information about the IPCC process and how they can participate in IPCC work.

With Respect to the Term of Office of the IPCC Bureau and the Task Force Bureau the Panel decided:

28. That the term of office of the IPCC Bureau and Task Force Bureau for the Sixth Assessment Report (AR6) shall be the duration of the Sixth Assessment Report cycle, starting in October 2015 and ending one year after the session at which the final product of the AR6 has been accepted, expected to end in 2022 at the latest.
Annex 1 to Decision IPCC/XLI-4

Annex B to Appendix C to the Principles Governing IPCC Work

Composition of the IPCC Bureau and task Force Bureau

I. IPCC Bureau

The IPCC Bureau is composed of 34 members.

It consists of:

1. the IPCC-Chair;
2. three IPCC Vice-Chairs with specific responsibilities;
3. two Co-Chairs of the Task Force Bureau on National Greenhouse Gas Inventories;
4. The Working Group I Bureau, with two Working Group Co-Chairs and seven Working Group Vice-Chairs;
5. The Working Group II Bureau, with two Working Group Co-Chairs and eight Working Group Vice-Chairs;
6. The Working Group III Bureau, with two Working Group Co-Chairs and seven Working Group Vice-Chairs.

Subject to the following overall regional balance within the IPCC Bureau:

Region I: 7 positions
Region II: 6 positions
Region III: 4 positions
Region IV: 4 positions
Region V: 4 positions
Region VI: 8 positions
In filling elective positions, account should be taken of the need to ensure that:

- the three IPCC Vice-Chairpersons are from different regions including at least one from a developing country and one from a developed country;

- one Co-Chair in each Working Group and any Task Force Bureau is from a developing country;

- at least one Co-Chair in each Working Group and in the Task Force Bureau is from a country which is ready to host the Technical Support Unit;

- Each Region is represented in each of the following four formations within the Bureau: the Executive Committee, Working Group I, Working Group II, Working Group III.

Consideration should also be given to promoting gender balance.

The IPCC Chair does not represent a region.

**II. Task Force Bureau**

The Task Force Bureau on national Greenhouse Gas Inventories is composed of 2 Co-chairs and 12 members, 2 each of which should be drawn from each Region.
Decision IPCC/XLI-5. PRINCIPLES TO GUIDE IPCC’s ENGAGEMENT ON POTENTIAL STUDIES OF THE IPCC PROCESS

*The Intergovernmental Panel on Climate Change* approved the “Principles to guide the IPCC’s engagement in potential studies of the IPCC process” as recommended by the Expert Meeting on Potential Studies of the IPCC Process (28-29 January 2015, Geneva, Switzerland) and contained in Annex 1 to this Decision.
PRINCIPLES TO GUIDE IPCC`s ENGAGEMENT ON POTENTIAL STUDIES OF THE IPCC PROCESS

(1) The IPCC should develop a decision pathway for consideration of requests from researchers for access to non-public IPCC materials or meetings. The pathway should ensure that the following information requirements are met, while acknowledging the needs of IPCC authors and the need of researchers for an efficient and timely decision process.

(2) Information required when submitting a request should include:

   a) Proposal of planned research.
   b) Letter of support from supervisor or institution, credentials of supervisor and institution (where applicable).
   c) Information about composition of research team.
   d) Credentials of researchers/research team, incl. CVs and publication lists.
   e) Description of type, timing and duration of access required.
   f) Justification of enhanced value from requested access to non-public materials or meetings.
   g) Consideration of ethical issues and data management.
   h) Description of the process by which the proposal has been or is being evaluated and mechanisms for quality assurance.
   i) Information about funding sources.
   j) Declaration of any potential conflict of interest.
   k) Anticipated benefit to the broader public interest.

(3) Evaluation criteria for requests

The IPCC may consider the information outlined in (2) in its decision pathway, along with:

   a) Benefit to broader public.
   b) Overall geographic balance and diversity of the research portfolio.
   c) Gender balance.
   d) Career stage balance.

(4) Requirements for researchers conducting studies of the IPCC process

*Note: Researchers should minimize the demands on IPCC authors*

   a) Researchers must obtain appropriate informed consent from all subjects in the study.
   b) All identifying information will be kept confidential.
   c) The researchers may not intervene in IPCC deliberations.
d) The researchers will only observe activities for which they have informed consent.

e) IPCC will be provided draft publication ahead of submission, for prompt comment.

f) IPCC will be provided any draft public relations documents (e.g., press releases) for prompt comment prior to their public dissemination.

g) Researchers will not disclose their findings to the public, including the news media, prior to the publication of their study.

h) Publication of studies will be embargoed until after the end of the assessment cycle, unless otherwise agreed to by the IPCC.

i) Confidentiality of information and data to which researchers are granted access will be agreed during informed consent. Confidential information and data will be held in accordance with data protection requirements.

j) 5 years after the completion of the assessment cycle, collected information will be shared with the IPCC for long term archiving.

(5) The IPCC to consider developing a document and information management and conservation policy, which would apply to IPCC bodies and TSUs, taking into account:

   a) Organizational structure and institutional arrangements.
   b) Materials such as document archives and data sets to be held by IPCC Secretariat and TSUs.
   c) Limits of disclosure.
   d) Time limits to confidentiality.

   In doing so, the IPCC could explore those areas that may be insufficiently documented and consider ways to improve documentation.

Establishment of appropriate policy would allow IPCC to respond to potential studies requests in consistent and timely manner.
Decision IPCC/XLI-6. WORKSHOPS AND SPECIAL REPORTS

The Intergovernmental Panel on Climate Change decided to organize an IPCC Workshop on Regional Climate Change Projections and their Use in Impacts and Risk Analysis Studies during the third quarter of 2015.

It further requested the IPCC Secretariat to invite Member States to submit views on potential themes for Special Reports during the AR6 cycle and input from the Working Group Co-chairs, and agreed to further discuss the issue at the 43rd Session of the Panel.

Decision IPCC/XLI-7. COMMUNICATION AND OUTREACH ACTIVITIES

The Intergovernmental Panel on Climate Change requested the Senior Communications Manager to organize a meeting hosted by the Norwegian Environment Agency in which experts, focal points and other IPCC representatives will share experiences, best practices and lessons learned from communication and outreach around the Fifth Assessment Report, and prepare a report for the 43rd Session and agreed to include 20 journeys for this meeting in the forecast budget for 2016.

Decision IPCC/XLI-8. IMPLEMENTATION OF THE IPCC ERROR PROTOCOL

The Intergovernmental Panel on Climate Change requested the Executive Committee of the IPCC to further consider how to reflect errata corrected before and after publication and errata in translation in a consistent manner in publications and electronic versions of reports and to report to the Panel at its 42nd Session.
The Netherlands made strong reservations to the increase in the size of the Bureau, as decided under agenda item 5.2, because this would inevitably increase the costs of the IPCC and in its view may compromise the effective operation of the organisation. It wishes to signal that the ongoing growth of the size of bodies should have a clear rationale and expresses that it strongly feels this is lacking for this decision.
Reservation from South Africa on the decision under Agenda item 13 - Procedural Matters

The current decision text effective suspends a rule of procedure by decision in the absence of a rule specifying the procedure for the IPCC to do so. Although, part IX of the IPCC rules of procedure are entitled “Amendment and Suspension”, procedures for suspension are not specified.

It is South Africa’s view that the use of paragraph 4 of the IPCC Principles Governing IPCC work, that stipulates: "Major decisions of the IPCC will be taken by the Panel in plenary meetings", as the legal basis for empowering the Panel to make such a decision without procedures to do so within its Rules of Procedure, goes beyond the intent and spirit of this principle and is incorrectly applied in this instance. As such, it is our view that paragraph 1 of this decision has no legal basis.

The fundamental concern is creating a precedent where an Intergovernmental Body can suspend any of its rules of procedure by decision in the absence of a multilaterally agreed procedure for doing so. This sets a dangerous precedent. While acknowledging the unique circumstances underlying the need for this particular decision, it is South Africa’s contention that the intent of this decision could have been achieved without setting such dangerous precedence.

On this basis, South Africa wishes to formally record in the report of this session its reservation in relation to paragraph 1 of the text of the decision under agenda item 13. South Africa regards this paragraph as having no basis in international law and will not bind itself to its consequence in this or any other intergovernmental body.

Given this situation, South Africa is of the view that the IPCC urgently needs to address the omission of procedures for suspension in its Rules of Procedure. Therefore, it is requested that the Panel place on its agenda for its 42nd session an item entitled along the lines of “Procedures for suspending a Rule of Procedure”.

LIST OF PARTICIPANTS

41st SESSION OF THE INTERGOVERNMENTAL PANEL ON CLIMATE CHANGE
Nairobi, Kenya, 24 – 27 February 2015
BUREAU MEMBERS

Ismail ELGIZOULI
Acting Chair of the IPCC
Higher council for Environment and Natural Resources (HCENR)
Sudan

Thelma KRUG
Co-chair TFI
INPE
Brazil

Takahiko HIRAISHI
Co-chair TFI
Hayama
Japan

Youba SOKONA
Co-chair WG III
South Centre
Mali/Switzerland

Dahe QIN
Co-chair WG I
China Meteorological Administration
China

Thomas STOCKER
Co-chair WG I
IPCC WGI TSU, University of Bern
Switzerland

Chris FIELD
Co-chair WG II
Carnegie Institution for Science
USA

Ottmar EDENHOFER
Co-chair WG III
c/o Potsdam Institute for Climate Impact Research
Germany

Ramon PICHES MADRUGA
Co-chair WG I
Centro de Investigaciones de Economia Mundial (CIEM)
Cuba

Nirivololona RAHOLIJAO
Meteorological Service
Madagascar

Eduardo CALVO
UNMSM
Peru

Jean-Pascal VAN YPERSELE
IPCC Vice-chair
Université catholique de Louvain (UCL) - Georges Lemaître Centre for Earth and Climate Research (TECLIM)
Belgium

Hoesung LEE
IPCC Vice-chair
Korea University
Republic of Korea

Francis ZWIERS
University House 1, University of Victoria
Canada

Taha ZATARI
Designated National Authority for CDM
Saudi Arabia

Jim SKEA
Imperial College London
UK

Antonina IVANOVA-BONCHEV
Universidad Autónoma de Baja California Sur
Mexico

Francis Davison YAMBA
School of Mechanical Engineering, University of Zambia
Zambia

GOVERNMENT REPRESENTATIVES

Lorenc XHAFERRAJ
MFA of Albania
