

Our ref.: 5246-14/IPCC/P-40

To the Executive Heads
of International and other Organizations

Geneva, 11 July 2014

Sir/Madam,

I am writing on behalf of the Chair of the Intergovernmental Panel on Climate Change (IPCC) on the subject of the Fortieth Session of the IPCC (IPCC-40) scheduled to take place at the Tivoli Congress Center, Arni Magnussons Gade 2, Copenhagen, Denmark, from 27 to 31 October 2014. It is with great pleasure that I extend the invitation to participate in this session, through you, to your Organization. The opening of IPCC-40 will be at 10:00 hours on Monday, 27 October 2014.

You may recall that the IPCC decided at its 28th Session in Budapest, Hungary, in April 2008 to prepare a Fifth Assessment Report (AR5), consisting of the three Working Group (WG) contributions and a Synthesis Report. The main agenda items of the Fortieth Session of the IPCC will be the adoption and approval of the draft Synthesis Report to the IPCC Fifth Assessment Report (AR5), the Future Work of the IPCC, and other agenda items that require consideration and decision by the Panel.

The provisional agenda of IPCC-40 (IPCC-XXXX/Doc.1) and other documentation will be made available in due course and posted on the IPCC website www.ipcc.ch on a page established for the session. You will be notified by e-mail about the posting of confidential pre-session draft materials and a link will be provided to a password-protected page for downloading. All documentation will be in English only. Simultaneous interpretation in the official UN languages (Arabic, Chinese, English, French, Russian and Spanish) will be provided during the session. Information about hotel booking, deadlines and visa requirements will be made available on the IPCC website.

I will be grateful if you would designate the representative(s) of your Organization to the session. Allow me to recall that the participation of delegates with appropriate expertise is vital for the success of these meetings. Please communicate the name and affiliation of the representative(s) of your Government to me at the IPCC Secretariat, World Meteorological Organization, P.O. Box 2300, 7bis Avenue de la Paix, CH-1211 Geneva 2, Switzerland by mail, fax (+41 22 730 8025/8013) or attachment to an e-mail addressed to ipcc-sec@wmo.int by **25 August 2014**. Nominations by simple e-mail cannot be accepted; as an intergovernmental organization we must receive your nomination(s) under an official letterhead.

In addition, please pre-register each designated participant at the following website: <http://www.ipcc.ch/register/>. Please use your unique credentials that you have already received for the previous session to access the password-protected site. Should there be a change of the Focal Point, please inform the Secretariat.

It is essential that you complete the pre-registration well before the session, in order to avoid delays in registering at the meeting venue and ensure that your designated representatives receive the credentials to access the papersmart system at the start of the session. Please note that, as per common practice, participants will be required to register at the conference venue, and at that point they will receive access to the IPCC papersmart system. As explained in the letter of 11 September 2012 (ref. No.6050-12/IPCC/GEN), pre-session documentation will not be distributed on paper. The system will allow registered participants to access session documents in electronic format during the meeting on a dedicated web portal via individual credentials linked to their registration. Specific guidance on the use of the papersmart system will be made available in advance of the session.

We strongly encourage participants to bring their computers to the meetings in order to facilitate access to the papersmart system. A small number of computers will be offered for lease at the conference venue to participants who require them at the time of pre-registration, under their full responsibility. Details can be found on the pre-registration website.

Yours sincerely,

A handwritten signature in blue ink, appearing to read 'R. Christ', is positioned above the typed name.

(Renate Christ)
Secretary of the IPCC
