IV. Health requirements/medical services

Up-to-date information on international travel and health requirements are provided by the World Health Organization (WHO) at the following websites:

<http://www.who.int/ith/en/>

<http://www.who.int/countries/jpn/en/>

Neither IPCC nor Japan could be held responsible for accidents or damage to private property of participants. Participants are encouraged to make their own arrangements for health insurance and any other necessary insurance.

V. Foreign currency

Currency in Japan is the Yen (JPY). Bank notes are available in denominations of 1,000, 2,000, 5,000, and 10,000 yen and coins in denominations of 1, 5, 10, 50, and 500 yen.

Currency exchange service at the airport is highly recommended for your convenience. A passport may be required for currency exchange services. You can also buy JPY at foreign exchange banks and other authorized money exchangers such as major hotels.

Many convenience stores such as 7-Eleven have automatic teller machines (ATMs) that accept credit, debit and ATM cards that are issued outside of Japan, including Visa, Plus, MasterCard, Maestro, Cirrus, American Express and JCB cards and provide an English user menu ; for example, 7-Eleven Store of Kyoto Shirakawa-dori Kamitakano (a 10-min walk from the Kyoto International Conference Centre), and FamilyMart Store of Takaragaike (a 5-min walk from the Kyoto International Conference Centre).

Please note that most Japanese banks' ATMs do not accept foreign cards. International ATMs can be found at international airports, in some major department stores and in Citibank and Shinsei Bank branches.

The exchange rate fluctuates daily depending on the money market and it is as of 15 January 2019:

1 Euro = 125 JPY
1 USD = 109 JPY
1 CHF = 111 JPY

VI. Credit Cards and Travelers' Checks

Major credit cards such as American Express, Diners Club, Visa and MasterCard are widely accepted at hotels, department stores, shops and restaurants. Personal checks are not accepted anywhere in Japan. Travelers' checks are accepted only at leading banks and major hotels.

VII. Tipping

Tipping is not customary in Japan, and is not generally done in any situation. Service charges are already included in the bill at hotels, restaurants, beauty salons, taxis, etc.

VIII. Tax

An 8% consumption tax is included in all purchases.

IX. Mobile phones

Using a rental service is highly recommended, as most foreign cellular phones are not compatible with Japan's network. The rental shops are conveniently located at the airports. In addition, Japanese providers offer roaming services where you can use your own cellular phone number (simply bring your own SIM card and insert it to a rental phone or your own 3G handset). Please make sure to verify with your local provider prior to your departure.

X. Airline reservations

Many international airlines operate regular services to and from the KIX. Participants are advised to secure their return bookings prior to their departure for Kyoto. If it is not possible, they should make firm return bookings immediately upon arrival at Kyoto.

XI. Hotel accommodations

All Participants will be offered a hotel reservation service through the special website (<https://mice3.jtbgmt.com/ipcc2019/?lang=en> (ID: ipcc2019 PW: kyoto)). The official hotels are selected with a careful consideration of factors such as distance to the venue, amenities, security, and etc. Participants can stay there at specially discounted rates. The deadline for hotel reservations is 12 April, 2019.

XII. Transportation

1. From and to the Airport

Probably the easiest option when traveling between Kansai International Airport and Kyoto is the bus.

By Bus:

Fares (One-way): 2,550 yen (Adults) / 1,280 yen (Children)

Duration: Approximately 1 hour and a half

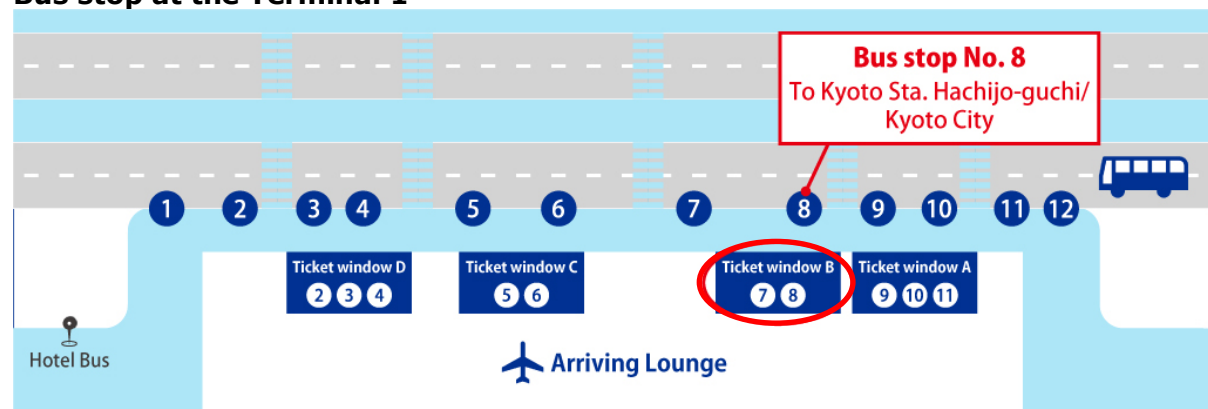

A limousine bus runs regular services between Kyoto Station's Hachijo-guchi southern exit and Kansai International Airport. The bus departing from Kansai International Airport also makes stops at several other locations in Kyoto after Kyoto Station. These may be more convenient for your final destination.

Location to get on

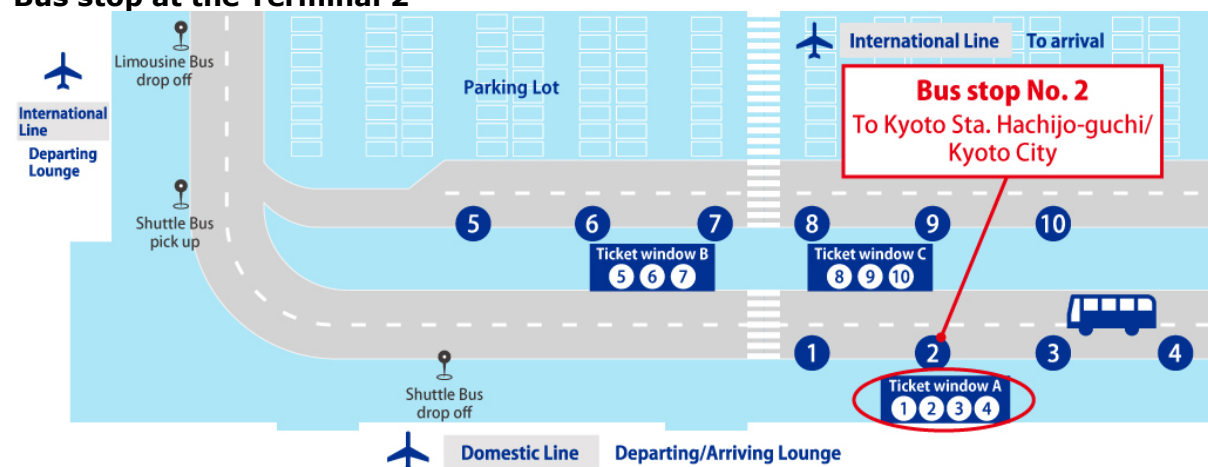

At Kansai International Airport you can board buses at bus stop 8 on the first floor of Terminal 1, and bus stop 2 at Terminal 2. Tickets can be bought from ticket windows by the bus stops.

* Reservation required for the lines to Kansai International Airport. For reservations, call
Keihan Bus Reservation Center (9:00-18:00)
075-682-4400

Bus stop at the Terminal 1

Bus stop at the Terminal 2

*For buses departing from Kyoto Station the bus stop is in front of the Avanti building which is opposite to the Hachijo-guchi exit on the south side of Kyoto Station.

Be careful that you don't board a bus for Osaka International Airport by mistake, as this is a different destination and the departure point is nearby. Tickets from Kyoto Station must be reserved any time from 1 month to 1 hour before departure. You can reserve tickets at the Keihan Bus Center which is behind the bus stop in the Avanti building.

2. In Kyoto City

Kyoto has a convenient subway system and several different railway lines, to take you swiftly to your destination. From Kyoto International Conference Center, it is just about a 5 min-walk to the Kokusai-kaikan subway station on the Karasuma Line, which goes to Kyoto Station and runs north-south through central Kyoto, with key stops along the way for main shopping streets, such as Shijo. The Tozai Line runs east-west, and these 2 subway lines intersect at Karasuma Oike station.

XIII. Internet services

Wireless Internet connection will be available in the main conference room and at the venue. Some Free Wi-Fi (for example, "KYOTO Wi-Fi" provided by Kyoto City) will be also available in Kyoto city.

XIV. Electricity, electric plugs and sockets

Voltage in Japan is 100V and the frequency is either 50Hz or 60Hz depending on the area (Kyoto is 60Hz). The socket is type A, which has two flat plug holes. If you plan to bring any electric appliances that are not convertible, transformers and/or plug adaptors are necessary.

Littering is also strictly prohibited. In particular, littering in important tourist sites will be subject to fines.
