

Working Group I Contribution to the IPCC Sixth Assessment Report
Third Lead Author Meeting

**Inclusive practices, collaboration and participatory group dynamics
at the IPCC WG I Third Lead Author Meeting: August 2019**

The WGI TSU is supported again at LAM3 by experts from SHIFT Collaborative who will be present and available for further discussions and interactions with LAM3 participants throughout the week. During the LAM2 closing plenary, 82% of the authors attending indicated that the “inclusive practices” activities had resulted in an overall greater awareness about diversity, difference and power in WGI. 62% indicated they had adjusted their own thinking or practices and 57% felt that their chapter group was supporting greater inclusion. At LAM3 SHIFT will continue their work to co-create an inclusive culture and add a specific focus on tools and approaches to support participatory decision-making. The following facilitated activities are included in the meeting agenda:

Sunday August 25, 13:00-15:30	Training for CLAs: Participatory Decision Making
Monday August 26, 12:25-12:40	Opening Plenary Framing Presentation
Tuesday August 27, 14:00-14:30	Review Editor Meeting Introduction to Inclusive Practices
Mon, Tues, Thur. 17:30 - 18:30	Mini-workshops for Authors: Topics To Be Announced

The inclusive practice activities within WGI build on the launch of the IPCC Code of Conduct at the LAM1 and the subsequent training, dialogues and resources to support “co-creating an inclusive, collaborative culture” at the Second Lead Author Meeting. The resources from LAM2 can be found here (DMS folder: Home / 01 - Meetings / 02 - LAM2 / SHIFT, <https://wg1.ipcc.ch/apps/dm/filemanager.php?q=1855>).

SHIFT Collaborative (www.shiftcollaborative.ca) is a registered cooperative based in Victoria, Canada that facilitates progress on both social and environmental challenges. They have a wealth of experience in designing and facilitating participatory engagement for systems change and multi-stakeholder collaboration. They have worked on issues ranging from social connectedness and inclusion to food security, climate change and public health, to name a few.

If you would like to request facilitation or other support from SHIFT Collaborative throughout the week then please contact them either by email or by text:
