WELCOME TO UNCC! This Information Note is prepared to be your quick reference when attending a meeting at the UNCC. Hope you will enjoy your visit!

SAFETY AND SECURITY

To enter UNCC, please enter through **UN Main Entrance gate located near the intersection**. You are **REQUIRED** to show your **Passport/ID card** and **registration QR code** to the UN security officer at the gate and to go through the security screening.

The next step is to **collect your meeting badge** at **Registration Counter** on Ground Floor of the UNCC (operation hours: 8:30 – 11:00 hrs and 13:00 – 14:30 hrs). These **badges** need to be worn all the time while in the UN complex. After collecting meeting badges, confirm your meeting details including the venue on the digital signage screen near the escalator.

Loss of a meeting badge should be immediately communicated to the registration counter or security officer in presence, so that the incident could be recorded before issuing a new badge.

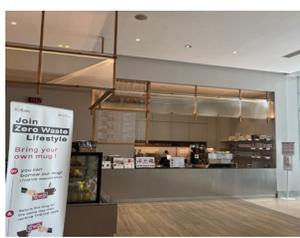

The United Nations has a zero-tolerance policy for any form of harassment, including sexual misconduct, sexual harassment and sexual exploitation and abuse, and will deal with such complaints promptly. Please refer to the United Nations Code of Conduct and report any incident to the respective **Event Organizer** and/or Security and Safety Section either in person or by extension at 1102.
